

Android Developer

Wanted Alive - Android Developer

For committing the following crimes:

- Writing code for tablets and smart phones;
- Knowing the Android OS' secrets;
- Too dangerous Java skills;
- Strong passion for the mobile industry and mobile development (which is considered to be a sense crime).

Reward:

- An amazing team culture;
- A competitive salary;
- A great health benefits package;
- Memorable team buildings and company events;
- Work hard, play hard – we've recently moved to a new state-of-the-art design office;
- A massage room;
- Every Friday – tasty food treat;
- Time to recharge - 22 days of paid time off.

For immediate consideration, please send your resume/CV to venelina.mazneva@trading212.com

We are always on the lookout for bright and eager minds with a thirst for knowledge and development. This is a shout out to all big thinkers: we have plenty of room for growth and freedom for innovation. You have an idea you want to share? The founders of the company would be enthusiastic to hear you out, and they are always around to help and inspire us.

Don't just take our words for it; have a look at how we roll
