

Junior Data Warehouse and Business Intelligence Consultant

Adastra (www.bg.adastragrp.com) is a leading provider of Data Warehousing, Business Intelligence, Data Integration, and Master Data Management solutions to global Fortune 1000 companies. One of Canada's 50 Best Managed companies, Adastra has over 800 employees worldwide with headquarters in Toronto and Prague, and offices in Montreal, Moscow, Frankfurt, Wolfsburg, London, Bratislava, Sofia and Varna. Some of our largest clients include Volkswagen AG, Deutsche Bank, Bank of Montreal, Vodafone and many others.

We are currently looking for highly motivated IT specialists, who want to develop in the field of Data Warehousing and Business Intelligence, to fill our opened positions in our Sofia and Varna offices.

Job Duties and Responsibilities:

- Business analysis and requirements gathering
- Logical and physical data models including metadata
- Source system data analysis
- Source to target data mapping analysis and design
- ETL development and Quality Assurance
- Represent Adastra and liaise with other client groups within the framework of a larger project team to deliver a unified solution

Required Skills, Education, Knowledge and Experience:

- University Degree in Information Technology or related field
- IT development background
- Excellent communication skills
- Ability to present complex subjects and alternatives in a clear and concise manner to both technical and non-technical audiences at various levels within an organization
- Experience with databases, including one or more of the following DBMSs: Oracle, MS SQL Server or IBM DB2
- Highly proficient with database development using multiple development languages including SQL, P/L SQL, C, C++, Perl Scripting, or similar languages
- Some Data Warehousing and Business Intelligence experience would be an asset
- Fluent English and/or German languages – spoken and written
- Availability to travel for long periods

What Adastra can offer you?

- Career development plan
- Competitive compensation package and bonus scheme
- Comprehensive benefit plan
- Information and training sessions
- Successful referral program
- To gain experience in international environment
- The opportunity to work with one of the best in the field

Are you ready to join a dynamic team of Information Management professionals committed to deliver best-in class solution and services to the world's leading organization? Apply now and send your resume in English or German at jobsbg@adastragrp.com not later than March 30th, 2013. We thank all interested applicants, but will only contact a short list of them.
