

QA Intern

Ref.number: QAI1605

Axway is the ONLY provider in the market today to manage, run, secure, and monitor all your business interactions – emails, files, messages, services, events, and processes. Spanning all industries, over 11,000 organizations in more than 100 countries depend on Axway's proven breadth of services and Layers of governance to build and improve value chain efficiency, regulatory compliance and quality of service.

We are expanding in different areas and are introducing a newly developed Internship Program that would engage people with great aspirations.

Are you looking to work with really smart people and amazing technology in a truly inspiring work environment?

Are you ready for real responsibility, real work, and real opportunities to jumpstart your career? (You'll get paid, too!) As an intern you'll be given manageable assignments that you can complete while you're with us.

Are you up for an experience you'll never find in a classroom?

If so, we encourage you to check out the exciting opportunities available in Axway Sofia office. Some interns could even direct their experience into a job offer.

Opportunities within Engineering @ Axway (QA Team):

This is what you can expect if you join our team:

- * We will train you in industry leading Quality Assurance practices
- * You will gain experience working in a team solving real life problems
- * You will work with the latest technologies
- * You will get challenged with important tasks so you can show your full potential and obtain new skills
- * A potential for growth in an international company

This is not only a summer internship.

In order to get selected you should:

- * Have completed at least 2 (3 preferred) years towards a Computer Science, IT, or related Degree

You have to meet some of the following requirements:

- * Experience in one of following OS-s: Windows, Linux, and UNIX
- * Basic programming skills in one of following languages: Java, C#, C++, PHP
- * Knowledge in Computer Networking
- * Out of the box thinking and willingness to learn
- * Good command of English language

How to contact Axway Bulgaria?

If you are looking for a challenge, please send, in English, your CV and a recent photo to bulgaria.jobs@axway.com using the reference number: QAI1605 in the Subject header.

Only short-listed candidates will be contacted.
