# Freight Young Professionals

The start is on Sept. 04, 2023

📍 Varna / Sofia, Bulgaria

 Graduate  
Program

Our Young Professionals Program intends to provide learning and career opportunities for young professionals interested in the dynamic maritime sector. The program will be with duration 18 months and after it's completion it will provide the opportunity to have a permanent position within great professionals in the field.

The program will commence on 4th September and will provide opportunity to 4 people to be part of one of the leading merchants involved in agriculture, food processing, international shipping and finance.

The program will take place in both our offices in Sofia & Varna, meaning some travels might be involved between the two cities for the purposes of the training.

## Freight Young Professionals Program 2023

**The Young Professionals Program will have a focus on:**

- Fundamentals of maritime contract law
- Gain understanding and experience in the operation and execution of voyage and time charter contracts acting as Owner and/or Charterer
- Comprehension of commercial contracts
- Monitoring of vessel performance in terms of routing, fuel efficiency and optimal arrival times
- Monitoring and managing port operations
- Coordinating with Master/Cargo interest, considering effects of water density, tides, displacement, cargo stability etc.
- Coordinate and execute payments whilst monitoring accounts receivable
- Shipping routes and main cargo flows, followed by safe navigation elucidation (LL map, shifting / maneuvering / mooring)
- Coordinate and monitor hold cleaning and preparation between cargoes
