

## Machine Learning Intern

Scaleflex is a fast-growing SaaS company that develops Digital Asset Management and Media Acceleration solutions. We are passionate about making the web faster and more efficient and looking for talented machine learning engineers to help us achieve our mission.

As a Machine Learning Intern at Scaleflex, you will have the opportunity to work on cutting-edge projects, mainly in computer vision. You will help design, develop, and deploy machine learning models (Classification, Object detection, Segmentation, end more). You will also have the opportunity to work with a team of experienced engineers and scientists and to learn from some of the best minds in the industry.

### Responsibilities:

- Design, develop, and deploy machine learning models for computer vision tasks;
- Work with a team of engineers and scientists to collect, annotate, and label data;
- Evaluate the performance of machine learning models and make improvements;
- Document and communicate the results of your work.

### Qualifications:

- Strong interest in machine learning algorithms and techniques;
- Some experience with Python - FastAPI, NumPy, SciPy (can be personal projects);
- Experience with computer vision libraries and frameworks - OpenCV, TensorFlow, Keras, PyTorch (can be personal projects);
- Experience in NLP, LLM, Generative AI is a plus.
- Knowledge of algorithms and data structures with strong problem-solving and analytical skills;
- Excellent communication and teamwork skills.

### Benefits:

- Paid internship;
- Opportunity to work on cutting-edge machine learning projects;
- Mentorship from experienced engineers and scientists;
- Chance to make a real impact on the company.

### About Scaleflex

Scaleflex is a global company with headquarters in Lyon, France. We have a team of over 75 people from 16 nationalities, and are rapidly growing. We are passionate about making the web faster and more efficient, and we are committed to developing innovative solutions that can help our customers succeed.

If you are a machine learning enthusiast looking for a challenging and rewarding internship, then Scaleflex is the perfect place. We offer an excellent benefits package and the opportunity to work on cutting-edge projects.

To apply, please send your resume and a cover letter to **[simeon@scaleflex.com](mailto:simeon@scaleflex.com)**  
We look forward to hearing from you!
