

# Paysafe Scholarships

for second-year students from FMI,  
Sofia University

Your Future.  
Powered by Paysafe.  
Driven by You.

Paysafe 

**Are you a second-year student at Faculty Mathematics and informatics, Sofia University?**

**Paysafe is here to support your academic journey!**

We're awarding two scholarships that will cover your tuition fees for two semesters — giving you the freedom to focus fully on your future.

At Paysafe, we're passionate about supporting students who shine academically and show a drive for innovation in the tech world. If that sounds like you, this is your moment!

**Ready to apply?**

Fill out the form here: <https://bit.ly/4iCJnpy>

**Selection Criteria:**

Scholarships will be awarded to the students with the highest academic results from the previous year. In the case of a tie, priority will be given to the first applicant.

**Application Period:**

April 20 – June 19

Don't miss your chance!
