

PhD and Postdoc Positions at ETH Zurich

The Software Reliability Lab (SRL) is recruiting PhD students and postdocs to do research in (one or more of) the following areas:

- Static and dynamic program analysis
- Synthesis and verification of concurrent programs
- Programming languages

More information about our research can be found at: <http://www.srl.inf.ethz.ch/research.php>

Key requirements for successful applicants:

- Strong interest and commitment to research
- Interest in combining theory and practice
- Competency in English
- For PhD: Excellent Bachelors or Masters degree in Computer Science (or related)
For postdoc: PhD degree in Computer Science; publications in international venues

Applications and questions should be sent to Prof. Dr. Martin Vechev at: jobs-srl@inf.ethz.ch
The application should include a CV and description of research interests.
