TEST LEAD

We are looking for a new QA Lead to join our solutions and product team.

As the QA Lead, you will have the following responsibilities:

· Lead, manage, and grow a team of brilliant testers.
· Drive high quality into our platform and all our solutions.
· Influence and impact peer disciplines to follow organisation wide processes.
· Initiate and promote engineering best practices
· Solid design and problem solving skills, with exceptional eye for quality and engineering excellence.
· Serve as a role model and mentor for more junior members of the team.
· Engineer to delight customers.
· Use your technical influence to drive innovation and engineering standards/best practices across the delivery team.
· Just get things done!

Pre- requisite Knowledge, Skills and Experience:

- Minimum 5 years of leading a team of Software Testers
- Strong customer focus and passion for doing the right thing for the customer.
- Expert in modern testing methodologies.
- Solid development debugging, testing, and problem solving skills
- Proficient at Web technologies and standards (HTML, CSS, JS, etc...).
- Experience of testing on mobile devices and operating systems such as iOS, Android, and Blackberry
- Strong track record of shipping high quality code on schedule.
- Excellent communication skills (English and Bulgarian is a must)
- Experience with automated testing and continuous integration.
- Positive attitude, proactive and self-guided
- Broad Horizons

Get excited by experimenting with new Mobile, Web or Cloud systems.
Get excited by travelling to the UK/US with your job

- A passion for building world-beating products
- Be as serious about customer satisfaction as we are (and we aren't happy until our customers are happy)

Our offer:

- Opportunity to work with phenomenal engineers on phenomenal products
- Join a growing, young team that are leading mobile experts
- Great opportunity for career progression - as we grow, our people grow
- Competitive salary, benefits package and professional certification programs.

If you or anyone you know is interested in this opportunity, please contact us:
