

**BOSCH**

Invented for life

# Bosch Future Mobility Challenge 2020

Autonomous driving is a hot topic.  
We have created a cool competition.  
Perfect combination for your talent to unfold.

Team up, find a mentor (professor) and join Bosch Future Mobility Challenge. Develop the best performing autonomous driving algorithm on a 1:10 scale model vehicle and win 4500 Euro at the finals!

Registration Deadline: **31st of October 2019**
