

ANGULAR DEVELOPER

Catenate is an international company with offices in München(DE), Baar (CH), Rome(IT), Sofia(BG) and Amsterdam(NL).

Catenate is a Business Integration company. We provide our clients with Business Integration consulting, technologies and solutions.

Our team has many years of project management expertise, as well as extensive IT and process & strategy expertise. Our industry-wide benchmarking experience gives our clients an insight into the best Business Integration practices in the Telecommunications, Automotive, Engineering, Railway, Oil & Gas, Chemical, Transportation, Electronics & High-Technology and Financial Industries.

Catenate Bulgaria is looking for a talented Angular Developer to join the Team. We work on a variety of challenging projects and currently we offer the opportunity to have an impact and contribute to your favorite worldwide automotive brands like BMW, Audi and Porsche.

Main responsibilities:

- Developing high quality solutions for automotive projects for BMW, Audi and Porsche.
- Implementation of cross browser web-based user interface
- Participating in design and architecture discussions
- Apply the JS design patterns in real
- Ensure high quality standards are met

Requirements:

- Bachelor or Master degree in IT field or similar
- 2+ years experience in commercial projects
- Strong experience in Angular
- Expert in JavaScript, HTML/HTML5, CSS3
- Understanding of RESTful services
- Result oriented attitude
- Fluent English

Our offer:

- Attractive salary + additional bonus (subject to satisfactory performance and utilization)
- Opportunity to use cutting edge technologies in real projects
- Environment of high skilled and collaborative colleagues
- Dynamic and interesting projects for world class clients
- Regular team events and celebrations
- Convenient office location with access to public transport, close to Bulgaria Mall

If you recognize your profile in the above mentioned requirements, we would be happy to contact you further. Please apply directly sending us your CV in English to sofia@catenate.com or m.mehmedova@catenate.com

Only the approved candidates would be contacted.
