

ERP Consultant

We make IT work!

Balkan Services is an IT consulting company helping organizations to nail the right software solution for their growing business and implement it in the fastest, most efficient and smooth way.

Balkan Services is an official partner of leading global software providers such as Qlik, Oracle NetSuite, LucaNet AG, AMANA Consulting, SoftOne Technologies and Microsoft.

The business software solutions in our portfolio provide optimization and management of all key business processes: reporting, sales, production, supply chain, warehouse, financial planning, consolidation and disclosure, customer relationships and IT support.

Since 2006, Balkan Services has successfully completed over 640 projects for business software implementation, as well as the development of a complete IT infrastructure.

Our clients are primarily medium and large organizations in the following industries: wholesale and retail, manufacturing, finance and insurance, services and pharmaceuticals.

In relation to new projects and increased work volume, the Balkan Services team is growing. We are seeking to hire an:
