Solid understanding of HTML, CSS, and JavaScript
Experience with Bootstrap
Familiarity with Git
A natural problem solver
Strong communication and interpersonal skills

We Give Extra Consideration For

Experience with REACT,
Experience with PHP,
Experience with Python,
Experience with MySQL

What We Offer

Pytek is a fast growing IT company. We combine innovative thinking with industry knowledge to deliver business, digital and technology services. Our collaborative and efficient approach helps clients reduce costs, manage risk and regulatory change while increasing revenues.

Professional experience is important. But it's paramount you share our belief in innovations that puts clients ahead in their business. From Day One, your key skill will be to perceive new and better ways of doing things to give your clients a great advantage.

Now Take The Next Step

If you're looking forward to progressing your career with us, then we're looking forward to receiving your CV by email: gergana.petrova@pytek.bg
