## Front-End Web Development Intern

Atos is a global leader in digital transformation with 120,000 employees in 73 countries and annual revenue of € 13 billion. European number one in Cloud, Cybersecurity and High-Performance Computing, the Group provides end-to-end Orchestrated Hybrid Cloud, Big Data, Business Applications and Digital Workplace solutions through its Digital Transformation Factory, as well as transactional services through Worldline, the European leader in the payment industry. With its cutting-edge technologies and industry knowledge, Atos supports the digital transformation of its clients across all business sectors. The Group is the Worldwide Information Technology Partner for the Olympic & Paralympic Games and operates under the brands Atos, Atos Syntel, Unify and Worldline. Atos is listed on the CAC40 Paris stock index.

For our office at Garitage Park Sofia, we are looking for an energetic and talented enthusiast to join our team as Front-End Web Development Intern. In our company, you will become part of a collaborative team environment where you can gain valuable experience and grow into a true business professional.

### As a **Front-End Web Development Intern**, you will:

- Develop new user-facing features
- Build reusable code and libraries for future use
- Ensure the technical feasibility of UI/UX designs
- Optimize application for maximum speed and scalability
- Assure that all user input is validated before submitting to back-end
- Collaborate with other team members and stakeholders

The successful profile:

- University student (preferably in Technical area)
- Understanding of web markup, including HTML5, CSS3 is a strong advantage
- Understanding of client-side scripting and JavaScript frameworks is a big plus
- Spoken and written English (B2 Level)
- Team player and fast learner

Our interns are entitled to the following benefits:

- Flexible hours
- Additional paid leave
- Daily food allowance
- Medical care incl. dental care
- Discount for sports cards
- Learning Hub
- Referral bonus

If you recognize yourself as the next great addition to our team, please send us your recent CV in English. Additionally, tell us more about yourself by sending us a Cover Letter (max.2500 characters) on "[Me, myself and my dreams](#)". We would love to hear your story!

Only the short-listed candidates will be c
