

IMPERIA ONLINE

GAME PRODUCTION COMPANY

Imperia Online is a company developing its own online games. Since the formation of the company in January 2005 we work hard and with passion each day to deliver rich and innovative entertainment products.

In order to further expand our success we would like to join another member to our team. Today we are looking for a:

Game Producer

What will be your role in the Imperia Online's team?

- To manage all aspects of team's product development from concept to completion
- To lead and maintain creative vision for projects, to document, develop, test and launch live game features using agile methodologies
- To use game development knowledge in order to tactically navigate decisions between the look and feel, game play, technological limitations, schedule
- To remain up-to-date with current understanding of mobile and social games landscape to guarantee products maintain competitive edge
- To align with other cross functional teams who perform similar or related tasks
- To be responsible for mentorship, evaluations, conflict resolution and recognition of the team that works on a particular game project
-

What we expect from you?

- 3+ years overall game or interactive production experience
- Excellent written and verbal communication skills and able to present game concepts to business owners.
- Deep understanding of game mechanics including acquisition, engagement, and monetization strategies to deliver high value products on tight timelines.
- Well-versed in writing feature specifications and documentation for games and game features.
- Solid understanding of Agile Development.
- Creative and forward-thinking; able to concept and execute on new and exciting game ideas with minimal direction.
- Extensive market knowledge and estimation of the best needs of the 'player' and the 'product' when making decisions

Top 5 reasons to work with us:

- We are inspired by freedom, creativity, and ability to innovate
- We compensate your hard work with unique bonuses and excellent benefits
- We pride ourselves on our team of people with unique "know-how" and technical skills
- We stimulate growth in your career based on performance assessment
- We have an awesome team environment, because we know how to match work and fun

Are you good enough?
If you really are, this is
definitely your spot!
