

It starts with pure imagination.
And continues with powerful decisions.

INDEAVR

Serving the high achievers

Indeavr is a growing company that offers career opportunities in a dynamic industry, encourages professional growth, and values associate contributions. Choosing an employer can be one of the most important decisions you make in life.

Be Long-Term Smart. Choose Indeavr.

We are currently looking for a **Data Scientist**

► Some of your responsibilities as a Data Scientist will be to:

- Use quantitative techniques to support and deliver advanced analytics solutions
- Create advanced statistical models to achieve meaningful insights that help end clients
- Deploy analytics to solve problems across different industries including banking, insurance, mining, utilities, etc.
- Present findings in an impactful and easy to understand manner
- Provide thought leadership and inputs in extending the practice

► What we look for and will NOT compromise on:

- Undergraduate degree, preferably in a numerate subject like Data Science, Statistics, Econometrics, Applied Mathematics, or a similar field with quantitative coursework
- Enthusiasm and willingness to build a career in the field of data analytics
- Demonstrated strong initiative, planning and organizational ability
- Strong work ethic, intellectual curiosity and talent
- Good MS Office skills.
- Team player with excellent communication skills; ability to establish and maintain effective working relationships with clients and Indeavr personnel

► What would be an advantage, but is not a prerequisite:

- Knowledge in the field of quantitative research
- Knowledge of predictive model development and oversight
- Experience with a statistical package such as R, MATLAB, SPSS, SAS, Stata, etc.
- Experience with Data visualization tools

► Indeavr will provide you:

- Busy, dynamic and involving work day
- Experience and performance based remuneration package
- Direct financial and mentorship support for professional and personal development
- Opportunity to work within a culture that actually stimulates knowledge and experience sharing
Busy, dynamic and involving work day

Indeavr is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, and age.

The above statements are intended to describe the general nature and level of work being performed by people assigned to this classification. They are not to be construed as an exhaustive list of all job duties performed by the personnel so classified.

If this opportunity is the challenge you are looking for, please send CV, Cover Letter and a recent photo to careers@indeavr.com. Confidentiality guaranteed.
