moving finance forward

## We offer an internship you will love!

### .NET Trainee

#### Career Profile

We are offering a **paid** internship to junior .NET enthusiasts who are eager to develop **highly innovative**, consumer-facing web products with the latest versions of Microsoft technologies and Sitecore.

Start date is **July 13** with duration of **3 months**.

If you join us, you will be involved in projects in the field of finance and banking. We offer an internship program, where you will be **working on real life projects** under the supervision and support of senior engineers in a project team.

#### Your Ideal Profile:

- Team player with good communication skills, who is eager to learn quickly and use **new technologies**
- University degree, or currently working on one, related to IT
- Basic knowledge of how web works
- Knowledge of C#, ASP.NET, MVC is a plus
- Knowledge of HTML, JQuery, XML and other web related technologies
- Good command of **English**

#### Interested?

If you are interested in this opportunity, please do not hesitate to apply, by sending us your CV and Motivation letter to **jobs@virtual-affairs.com** no later than **June 19**. The selected candidates will be contacted within 2 weeks of the closing date for applications.
