

Junior Java Developer

Behind Trading212.com and Trader.bg is one of the most successful Bulgarian Internet-based companies on an international scale - Avus Capital. We rank top thanks to our **140+** skilled and enthusiastic teammates. We have a client base of over **1 million** investors from **35** countries. We've built 2 web-based trading platforms, mobile apps to go along with them, and lots of innovative financial tools are on the way. We've been around for 10 years, and we are on the lookout for bright and eager minds.

On the back end, the challenge is to build a scalable trading platform that provides millisecond transactions to customers across the globe. On the front end, we strive to build beautiful, easy-to-use interface that makes trading intuitive and accessible to everyone, everywhere, and on every device. Excited to see the complete and final look of your creations? Your ideas, through your hands to the live servers?

Here is an opportunity you will like:

We are hiring a Junior Java Developer for our head office in Sofia.

The position:

The Junior Java Developer who will join our team will have to contribute throughout the development lifecycle of the cutting-edge financial services technologies we offer. He/she will be engaged in tasks like establishing requirements, web development, deployment practices and evaluation of emerging technologies for one or more of the company's core products.

Job requirements:

- At least one year of experience with enterprise-grade programming in Java/J2EE;
- Experience with relational databases, multithreading;
- Can-do attitude, proactivity and enthusiasm for solving problems;
- University degree in Computer Science, Informatics or similar;
- Understanding of distributed systems and multi-tiered architecture

Any of the following would be considered as an advantage:

- Experience with Spring framework, web servers (Tomcat, Jetty), messaging, web services, JavaScript

We offer:

- Training in the best practices in software development and delivery processes;
- Competitive salary;
- Opportunity to be part of a dynamic and successful team, also known as "The League of the Extraordinary";
- Friendly working atmosphere;
- Appreciation of your talent and ideas

If you meet our requirements and you are interested in the position, please send your **CV** to venelina.mazneva@trading212.com.

We thank all applicants for their interest, but only those selected for an interview will be contacted.

Don't just take our words for it; have a look at how we roll -
