

IT Internship

NaXex is a leading IT company focused on providing the most advanced technological solutions for the financial industry. The company's key products and services include online financial trading platform, marketing automation platform, communications infrastructure, and more.

For the second year, we need a few ambitious and hard-working interns with whom we hope to grow together. By joining NaXex IT Internship program, you get your chance to become part of our technological world!

Dream. Believe. Try.

If your **dream** is to become a professional,
If you **believe** you have a big potential and you can achieve a lot,
Try and join our Internship program in NaXex.

Are you a young and ambitious person who wants to start a professional career? Are you on the verge of completing secondary education or have already completed the second year of your studies at university?

Then you can send us your CV at hr@naxex-tech.com, tell us the position which you have chosen. You will have the ability to gain practical eXperience from the professionals in NaXex and to be part of innovative and cool international IT Company in one of the following positions:

- **.NET Developer;**
- **QA Specialist;**
- **Front-end Developer;**
- **Product Specialist;**
- **Desktop Support Specialist;**
- **SEO Specialist;**

Hey, that "previous professional experience" isn't going to magically appear on your resume. **Let's craft the future together. Apply today and change your tomorrow.**

Thank you for your interest in NaXex! If you are among the selected, we will invite you for a meeting in the office during April. The internship program will start in May. Good luck!

All applications will be treated with strict confidentiality in accordance to the law.
