

Senior iOS Developer

Behind Trading212.com and Trader.bg is one of the most successful Bulgarian Internet-based companies on an international scale - Avus Capital. We rank top thanks to our **140+** skilled and enthusiastic teammates. We have a client base of over **1 million** investors from **35** countries. We've build 2 web-based trading platforms, mobile apps to go along with them, and lots of innovative financial tools are on the way. We've been around for 10 years, and we are on the lookout for bright and eager minds.

On the back end, the challenge is to build a scalable trading platform that provides millisecond transactions to customers across the globe. On the front end, we strive to build beautiful, easy-to-use interface that makes trading intuitive and accessible to everyone, everywhere, and on every device. Excited to see the complete and final look of your creations? Your ideas, through your hands to the live servers?

Here is an opportunity you will like:

We are seeking a key senior technical talent for Senior iOS development, someone who can create and design mobile applications for iPhone and iPad and will grow steadily in an atmosphere filled with smart people solving challenging problems.

All you need is:

- 3 years of experience in mobile software development;
- Experience in delivering interactive applications for iOS (either iPhone, iPad apps);
- Deep knowledge of iOS and a strong passion for the mobile industry and mobile development;
- Objective-C programming skills.

What you'll do:

- Work on our next-generation mobile trading platform;
- Contribute new ideas and innovative strategies to help create the next big thing in mobile;
- Find creative solutions and face challenge without fear.

Job Perks:

- A competitive salary and benefits package;
- A laid-back, fun workplace with endless provisions and social jaunts;
- An exciting, innovative mobile experience;
- An opportunity to learn, speak your mind, and grow daily;
- Working with a group that takes "team" very seriously.

We are always on the lookout for bright and eager minds with a thirst for knowledge and development. This is a shout out to all big thinkers: we have plenty of room for growth and freedom for innovation. You have an idea you want to share? The founders of the company would be enthusiastic to hear you out, and they are always around to help and inspire us.

Don't just take our words for it; have a look at how we roll - <https://www.facebook.com/Life.at.Trader.bg>

Job postings rarely tell the whole story. Like our job ads, we are better live than on the screen. Why not apply and see how much more we can offer?

Apply to venelina.mazneva@trading212.com

We thank all applicants for their interest, but only those selected for an interview will be contacted. All applicants' personal data is protected by the law and will be kept as strictly confidential.
