

IMPERIA ONLINE

GAME PRODUCTION COMPANY

Imperia Online is a company, developing its own online games. Since the formation of the company in January 2005 we work hard and with passion each day to deliver rich and innovative entertainment products.

In order to further expand our success and to realize new game projects, we would like to join another member to our team. Today we are looking for a:

iPhone Game Developer

What we expect from you?

- 1+ years of Objective C experience for iPhone
- Knowledge in Cocoa Touch
- Experience with SVN
- Experience with XCode
- Experience with XML, HTML, JSON
- Working level of English language
- Good self-discipline and self-organizing

What will help you?

- Experience with SVN
- Experience in game development
- Understanding of client-server architecture
- Interest in the field of computer gaming
- Interest in mobile technologies
- Bachelor degree of Computer Science or related field

Top 5 reasons to work with us:

- We are inspired by freedom, creativity, and ability to innovate
- We compensate your hard work with unique bonuses and excellent benefits
- We pride ourselves on our team of people with unique "know-how" and technical skills
- We stimulate growth in your career based on performance assessment
- We have an awesome team environment, because we know how to match work and fun

If you are interested in our offer, please, send your CV's : jobs@imperiaonline.org

Are you good enough?
If you really are, this is
definitely your spot! →
