Intellectual Property Specialist

Do you demand the best from your professional career? Are you inspired by excellence? At SAP, you will have the power to make a real impact. As the global market leader for business software, SAP helps companies and organizations in more than 25 industries to run better.

PURPOSE AND OBJECTIVES

The SAP Global Intellectual Property Group is a world-wide organization with offices in the United States, Germany, Israel, India, China, and Bulgaria. It is responsible for the implementation of all Intellectual Property (IP) strategies to manage and grow the IP portfolio of SAP, the protection of that portfolio in all third party and partner relationships, to provide advice on IP issues in mergers and acquisitions efforts and to manage all IP litigation.

EXPECTATIONS AND TASKS

- Handling and administrating the end-to-end IP-related internal processes by working directly with business and development owners
- Managing the information in a data base on a daily basis
- Supports the negotiation and administration of agreements: generates appropriate documents based upon internal requests
- Managing the resolution of other requests as necessary in support of the Global IP Department and maintaining documentation
- Participating in other IP Department projects

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Recently completed university degree in Law
- Excellent English verbal and written skills
- Excellent computer literacy
- Organization and communication skills
- Team player

WORK EXPERIENCE

- 1 year of working experience

WE OFFER:

- Competitive benefits package
- Training and expertise in a specific field
- Opportunities for career development in an international team of IP professionals
- Friendly working environment in a team of highly motivated experts
- Exposure to international corporate culture

HOW TO APPLY

Please submit your CV in English through our career portal:
<http://www.careersatsap.com/CareerCenter.aspx#>

The reference number for the position is: BG-55626906-EN-12-002

PLEASE NOTE that only applications received through the career portal will be considered.

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees.

Intellectual Property Specialist

We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.
