

Equity trader

Description:

We are now looking to bring on an equity trader to join our growing team of traders.

Previous experience is not required as we offer a specifically developed training program. However, any knowledge or experience in trading or investing would be a benefit. Best candidates would have a math or finance related background as well as strong self-motivation, profit-driven mindset, team working ability and physical and mental stamina.

After successful completion of the training program, candidates will have the opportunity to trade equities on the biggest financial market worldwide with access to the fastest trading platforms.

Through the years, we have developed a vast knowledge of the market and passed through some of the most challenging financial situations. Based on our broad experience, we have developed a mentorship program that supports traders and helps them overcome successfully even most difficult financial challenges and achieve great results.

Requirements:

- Bachelor's degree or last year college/university students in Finance, Applied Mathematics, Statistics, Business, Engineering, Computer science, Software engineering, Economic sciences, Tech
- Excellent command of English – written and spoken

What we are looking for:

- Growth mindset
- Strong interest in finance and financial markets
- Fast analytical decision making
- Ability to work in a fast-paced environment
- Ability to stay alert, adapt to risk and make decisions under pressure

- Team working ability
- Trader intuition
- Multitasking
- Entrepreneurial personality
- Ability to manage large quantities of information effectively

What we offer:

- Free training program
- Mentorship program and strong leadership
- Access to the fastest platform on the market
- Access to the biggest financial markets worldwide NYSE, NASDAQ
- Working time - 15:00 - 23:00 (Monday - Friday)
- Sky is the limit

If you feel this job is just right for you, send us your CV @ careers@himeraiideas.com

Only shortlisted candidates will be contacted for an interview.
